BRANDEGEE WOULD HAVE AMERICA HOLD ALOOF FROM THE INTRIGUES OF EUROPE

In Address at Willimantic Last Night Senator Brandegee Gave Warning of Perils of Membership in the Versailles Traffic in Women

Traffic in W League of Nations Explaining Intricacies of the Treaty, Mr. Brandegee Declared It Deals With All the Affairs of

heautiful bubble Augustine Lonergan, eandidate of the democratic party for senator, had blown up in one of his campaign specches delivered in this city not long ago. Senator Brandegee told of the stand he had taken against this bill, be-

in the grant constitution, if loal altairs fare to be determined by
all altairs fare to be determined by
the constitution. It
besilves that the women
that have been that the women
that the Last that the constitution.
The members of the league t regular the conductions of the hands of congress As I see it I am not opposed to humanitarian measures and do not recall ever having failed to support

any such measure.

Speaking of the treaty of Versailles,
Mr. Brandegee said: The great question that demands settiement, and probably a measurably immediate settlement, is the question of the
foreign policy of the United States, and

Germany.

ave been in the senate for 15 years
have been a member of the commita foreign relations for several years,

the senate for 15 years
have been a member of the commita foreign relations for several years,

to purely interpretative; that is, if it and I know something about the treaty with Germany, the ac-called treaty of Versaillen I, as a member of the foreign relations committee, have read it and

How much, I ask you, does the country boundaries, the amount of reparation to be paid, all sorts of intricate questions of that kind, disposition of the conquered territory that was wrested from Austria, Kingary, Turkey and the other beliger-ents; and yet we are told that the country demands that the senate of the United States should ratify that immediately. I samnet believe that there is any such feeling as that among the majority of the people of this country. Mr. Wilson practically says to us-we shall not have peace with Germany unless that is all saifled; and the democratic platform says, without reservations which would impair its essential integrity." By that

a good many things that I was not guilty of and some that I was; but I have never been accused of being a warlike person. I by the United States forces during the we for peace; not for peace at any price; I am not for peace if it involves dishonoring the flag of my country; I will fight for that; but ordinarily I am for peace, and I will make a good many concessions to achieve it and maintain it. We have peace in this country most of the time; we have very rarely injured anybody else; we are a peaceful nation unless somebody tries to tread on us; we never have wared an unjust war we have never waged an unjust war we have never

HARDING'S CLEAR CONCEPTION

of the world.

Well, now, what is it for? It purports to be in favor of peace and to preserve the peace of the world, and I have no doubt but that that was the intent of some of its framers. I don't know whether any of them had ulterior motives, but a great many have thought that because of the phrasing to the many of the other issues of the phrasing to the campaign and doclared it was the resulting to the control of the other issues of the phrasing that the campaign and doclared it was the resulting to the campaign and doclared it was the resulting party which now offered "a

rity and existing political independence of all members of the league. In case of any such aggression, or in case of any threat or danger of such aggression, the

council shall advise upon the means by which this obligation shall be fulfilled." Article 11 provides in part:
"Ary war or threat of war, whether immediately affecting any of the league or not, is hereby declared a matter of concern to the whole league and the league shall take any action that may be Zurich Oct 15 -According to an an uncement of the German foreign minisiry, a great revolt is reported to have stated in Moscow, The Kremiln there is declared to have been invaded. league shall take any action that may be deemed wise and effectual to safeguard

Lady Jane Grey was queen of Eng land for nine days in 1553.

makes plainer something that is already make treatles only with the consent of there. The democratic platform says they do not object to reservations which a league of nations on the country with the consent of the democratic platform says they do not object to reservations which serve more fully to clarify our obliga-tions to the league. Well, our obliga-tions to the league do not need any clari-fying: they stand out like a sore thumb. out this consent. When congress re-fused to ratify, Wilson said I'l ltake it to the people the issue for them to de-The trouble is they are too great for anyhody to ask us why we should assume ahem; because, let me say this about Article 10—"The members of the league undertake"—that means "contract," not only to respect but to preserve as against external aggression the territorial integrities and existing routilized independent. the government would go to ruin. constitution gives congress the authority to make peace, and this law was made by the people.

With the vote of the women this year

The first speaker of the evening was Congressman Richard P. Freeman who in brief covered the issues of the campaign explaining the articles of the cov-enant as written by and brought back to this country by Mr. Wilsôn Each sep-arate article was read and the amend-

tegrity and existing political independence of all members of the league.

Speech by Congressman Freeman.

ment suggested by congress explained, showing the absolute necessity of such reservations if this country was to go in-

to the league. The great waste of the present administration as demonstrated in their purchasing 1,000,000 saddles, and nearly 200,000 branding irons for the 350,000 or less horses and mules used
